## PTA News

### HONORARY LIFE

An Honorary Life Membership, in the form of a resolution, was presented to Wendell C. Cole by Los Angeles Tenth District PTA at the executive board meeting on March 27.

Mrs. Horace H. Bresee, Honorary Life Membership chairman, made the unique presentation in recognition of the outstanding contribution Mr. Cole has made in his association with character building youth organizations identified with the Wilshire area. More recently his interest and untiring effort on behalf of Tenth District PTA made possible the acquisition of property for a parking lot to accommodate the many volunteer PTA workers who drive to the District offices in performance of their duties.

Mrs. Cole, who is also active in PTA, was present to witness the honor bestowed upon her husband.

A recent recipient of an honorary life membership from Los Angeles Tenth District PTA was Mrs. William A. Allen, office bookkeeper of the organization.

In bestowing this honor, Mrs. Horace H. Bresee, chairman, remarked that in addition to Mrs. Allen's

years of service as an employee of the Parent-Teacher organization, she had participated in youth activities and character building groups in the southwest area while rearing her own family.

The Honorary Life Membership program of the California Congress of Parents and Teachers serves a dual purpose. The honor may be conferred upon an individual in special recognition of outstanding service to children and youth. The membership is purchased through a PTA group at a cost of \$25. This money is deposited in the student loan fund which is available to eligible students who need financial assistance to advance their education beyond high school. The loans are interest free, and thousands of students have participated in this program.
